

VATICAN
OBSERVATORY FOUNDATION

Presents

iGod TODAY with Father Mike Manning

The Vatican Observatory Foundation presents the
first-ever App from any division of the Vatican.

Start your day with insightful reflections of faith, inspiration and spirituality presented by the Vatican Observatory Foundation and delivered on screen by Father Mike Manning, recipient of the Pope's award of excellence. These daily reflections are inspired by scripture, using God's uplifting message as a guide in your daily life, supporting the Foundation's mission of scientific research, education and discovery

Features of the App

- Daily video reflections with Father Mike Manning.
- Features uplifting messages of hope and faith and practical topics for daily living.
- Daily scripture passages as Extras.
- Reflections on major events of the day as Extras.
- Mark your favorite reflections for later reference.
- Download your favorite reflections and Extras for offline enjoyment.
